Capabilities Statement

Corporate Overview

PCI Technology LLC is a tribally-owned company. We provide enterprise IT, cybersecurity, data analytics, DevSecOps, and systems engineering services in support of US Federal Agencies and the Department of Defense. PCI Technology is a member company of PCI Federal Services (https://www.pcifederalservices.com) which was formed under the Poarch Band of Creek Indians Tribe to provide high quality products and services to Federal customers. As one of seven current member LLCs under our parent holding company, we have the ability to draw from a wide array of technical and programmatic expertise across multiple Key Business Areas (KBAs) to satisfy client requirements.
